Company Introduction

In the competitive landscape of heavy machinery parts, Tonkee Machinery Co., Ltd. stands as a paragon of reliability and innovation, specializing in premium replacement hydraulic components. Catering to renowned brands such as Kawasaki, Rexroth, Nabtesco, Kayaba, Nachi, Parker, and Doosan, we have carved a niche for ourselves by consistently delivering products that blend cutting – edge technology with unwavering quality.

Our comprehensive product portfolio is a testament to our dedication to meeting the diverse needs of excavator users worldwide. From high – performance hydraulic main pumps that power the most demanding operations to travel motors, swing motors, and main control valves engineered for seamless integration, each item undergoes meticulous design and manufacturing processes. Our hydraulic hammer breakers, too, are built to withstand the harshest conditions, delivering superior performance every time. Leveraging China’s advanced manufacturing prowess while strictly adhering to international quality benchmarks, our products are a fusion of cost – effectiveness and top – tier quality.

What sets us apart is our unparalleled compatibility with a vast array of excavator brands. Whether you operate Caterpillar, Komatsu, Hitachi, Kobelco, Hyundai, Doosan, Volvo, John Deere, JCB, Sany, Xcmg, Sdlg, John Deere or Case excavator equipment, we have the perfect replacement parts. Our team of seasoned experts, armed with in – depth knowledge of excavator mechanics, ensures that each part not only fits flawlessly but also optimizes machine performance. This means you can enhance your equipment’s capabilities without the exorbitant costs and logistical headaches of relying solely on original manufacturers.

At Tonkee, we prioritize customer satisfaction at every stage. Recognizing the urgency of getting your machinery up and running, we have established a robust logistics network. Through sea freight, air freight, rail transport, and strategic partnerships with global couriers like DHL, FedEx, UPS, TNT, and Aramex, we guarantee prompt delivery of your essential parts, regardless of your location. Whether you’re managing a large – scale construction project or conducting routine maintenance, entrust Tonkee with your hydraulic part requirements. Experience the Tonkee difference – where quality, reliability, and exceptional service converge.

Value

Realise customer needs and bring them value,
respect and care for customers

Trust

Build a bridge of communication with trust to
make employees feel at ease and win-win with
customers
